SITUATION AND DESCRIPTION

Newton Abbot is a busy market town being the commercial centre and heart of the Teignbridge area with a district population of approximately 125,000 extending to some 300,000 within 12.5 miles of the centre. Newton Abbot benefits from a wide catchment area drawing from a large number of small towns and villages in the surrounding area. The units have been constructed to a high standard comprising a steel portal frame with lower elevations of facing bricks to 2.2m externally and faced blockwork internally to the same height, with plastic coated profiled sheet steel cladding incorporating an insulation quilt and internal lining to upper elevations. The roof is also plastic coated profiled sheet steel cladding, insulation quilt and internal lining.

The Millwood Business Park occupies a convenient position on this busy and much sought after Trading Estate. The Brunel Industrial Estate is only a matter of 400 yards from the Penn Inn Roundabout and the A380 dual carriageway which links with the M5 motorway at Exeter. Torquay is approximately 7 miles distant with Newton Abbot town centre half a mile away. Unit 3 is mainly full height with a small Mezzanine Storage area at the rear of the unit and 2 car parking spaces opposite in the courtyard plus a loading area to the front. The premises offer flexible accommodation which would be suitable for a variety of potential users.
